January 2017 Newsletter

## Rider Relief Fund 2017 Concourse Activities

Rider Relief Fund is proud to be partnering with Ride Right for the 2017 season. This season, Ride Right will generously donate one of their custom vests to be given away to a lucky winner at each Built Ford Tough event.

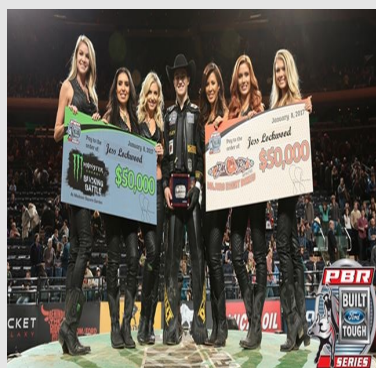

More professional riders wear a protective vest built by Ride Right than all other manufacturers combined. They use only the best materials, so that every vest delivers active comfort and solid protection. When you wear a Ride Right vest, you're protected by a unwavering 20-year legacy for quality, style and durability

RRF Supporters will also have the opportunity to win a Rider Relief Fund prize pack, we will be picking a winner each night so don't miss your chance to walk away with a great prize pack and if your really lucky an autographed vest! Stop by the Rider Relief Fund booth at the next BFTS event. For more information on Ride Right please visit their website.
